The El Dorado Grizzlies finished out the 1956 season with undisputed possession of second place in the Juco League. They had a league record of six wins and two losses, and an overall record of eight wins and two losses. The team was again coached by Bob Douglass assisted by John Reed. Although crippled by numerous injuries, the 1956 Grizzly team will be remembered for their impressive record and fighting courage.

The Grizzlies began the season with three impressive victories over Fort Scott, Parsons and Dodge City. The following week they met Coffeyville on the home field; in this game the Grizzlies were overpowered by sheer numbers and lost 13 - 6. The Grizzlies came back strong, winning from Ark City, Fairbury, Nebraska and Independence. The following week Garden City pulled off possibly the biggest upset of the season when they won from the Grizzlies 21 - 6. The Grizzlies then bounced back and beat Hutchinson 13 - 12. They then finished out the season beating Pratt.

BASKETBALL

The Grizzlies' cage team, under the coaching of Don Hight, played a hard-fought season, finishing in fifth place in the Western Division with a 2-win, 7-loss record, and a 5-14 overall record, as the book goes to press.

This record, however, does not reveal the spirit which was displayed, and it does not account for the four games which were lost by only five points or less. Among those lost was a 67-70 game at the hands of Ark City, who were then rated third in the National Junior College poll.

Don Parry (who set an individual team scoring record with 33 points against Dodge City), Carl Boyer, and Lou Taliaferro carried the load of team scoring with averages of 15.9, 15.0, and 13.3 respectively. Parry also was one of the leading rebounders in the conference.

SUMMER SUPPLEMENT

ORDER OF THE PURPLE

Pictured above, left to right, are the graduating sophomores who qualified this year for membership in the Order of the Purple. They are: Janet Fabian, Jerry Perisho, Darrell Johnson, Mary Jane Gaines, Ruth Holmes, Miriam McLain, and Sandra Long. Any graduating sophomore who has a 2.25 grade point average, who has attended El Dorado Junior College for one full year, and who has completed at least twelve hours of work each semester, is eligible for membership in this group. Membership in the Order of the Purple is the highest scholastic award given at the college.
